

The man with no bed.

by Terrence Pietrondi.

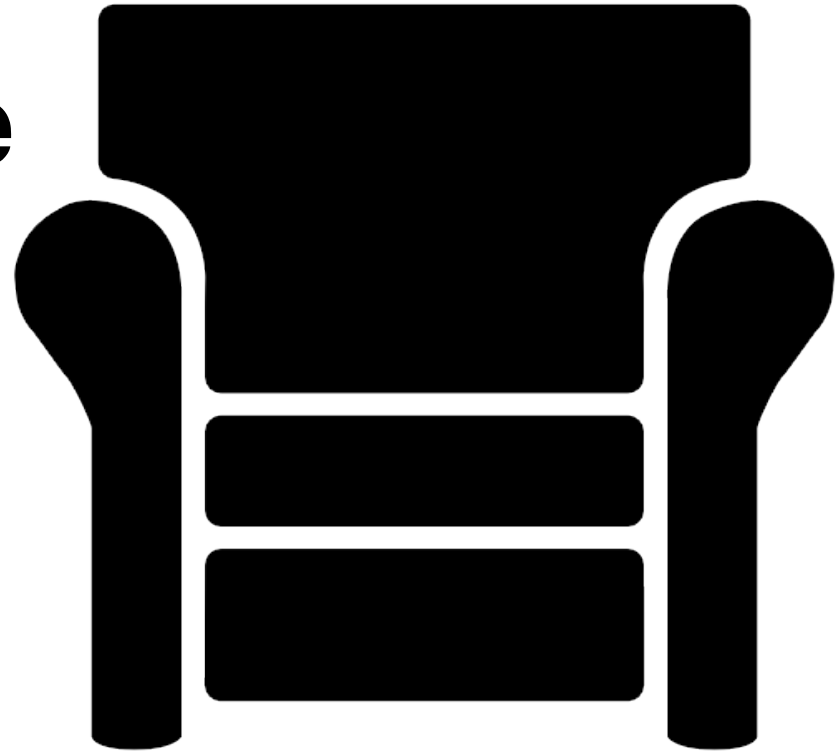

**There is a man that has a bed...
but he doesn't sleep there.**

He sleeps at the kitchen table.

**He sleeps in the
chair.**

And in the car.

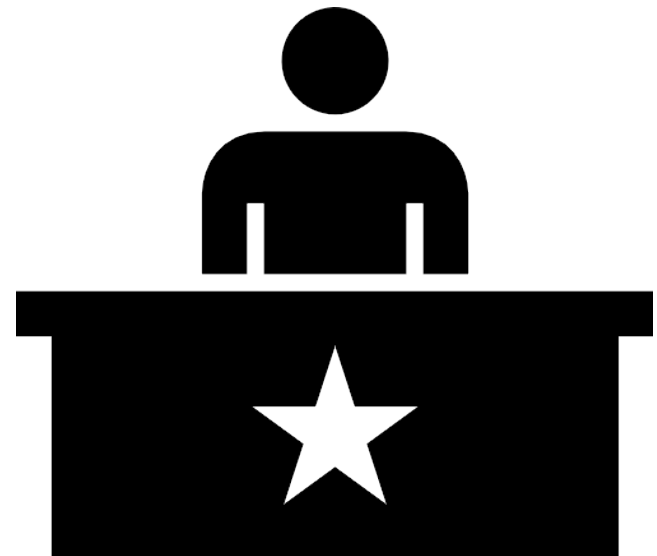

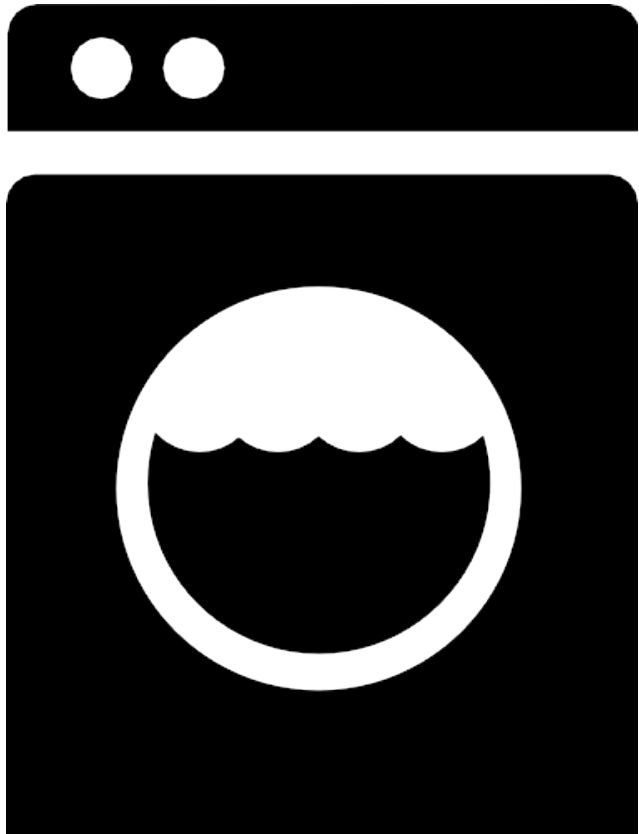

**Even during
dinner!**

**While sitting behind the desk
at work, he is suppose to greet
customers...**

**but instead of saying “hello”,
he sleeps.**

**At his house, where
the washing
machine is...**

he sleeps there too.

**Since this man sleeps
everywhere except his bed,
he is the man with no bed.**

This man is my dad.

Goodnight dad.
